This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F, and High Deductible F. **We currently offer Plan A, Plan F, Plan G, and High Deductible Plan G.**

Note: A ✓ means 100% of the benefit is paid.

<sup>1</sup> Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,950 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, High Deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

Physicians Select also offers a Deductible Discount Rider to add to Plan G. The addition of the rider will provide the same benefits as a High Deductible Plan G from the effective date of the policy until the Deductible Elimination Date as defined on the Policy Schedule. On or after the Deductible Elimination Date, the benefits provided will be Plan G benefits.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

**F019 Preventive Benefits Plus Rider \$9.53 (not available with Plan A)**

\*Rider is the optional Deductible Discount Rider, only available with Plan G.

### PREMIUM CALCULATION

The premium chart to the left shows the current monthly non-tobacco premiums with the ABW payment option. Determine other premiums as described below.

- **Tobacco Users:** To remove the 10% non-tobacco discount, divide the rates by 0.9.
- **Household Discount (if qualified):** Subtract 10% of the tobacco rate. See **Household Discount** below to determine if you're eligible. **You must complete the Household Discount Section in the application.**
- **Preventive Benefits Plus Rider F019:** Add F019 premium from rate page if selecting this rider. **You must select the Rider on the application.**

After determining the appropriate rate for tobacco usage and/or household discount, other payment options are determined as follows:

- **Monthly Bill:** Add \$5.00 to premium;
- **Annual Bill:** Multiply premium by 12.
- **Monthly Credit Card:** Add \$5.00 to premium (not available with paper application).

### PREMIUM INFORMATION

We, Physicians Select Insurance Company, can only raise your premium if we raise the premium for all policies of this form and class in your state. **Premiums based on attained age will also change on or after your birthday each year.** In addition, your premium may also increase to cover changes in Medicare benefits and inflation.

### HOUSEHOLD DISCOUNT

If you either reside in a household with your spouse, or with another person (but no more than three) that is age 60 or older and has continuously resided with you for the last 12 months, we will provide you a 10% household discount off your Medicare Supplement premium. The discount is applied prior to adding \$5.00 for monthly direct premiums if you select this mode. If you do not qualify for the household discount when your policy is first issued, you may qualify at a later date if the above qualifications are met and we receive a completed Household Discount Questionnaire that reflects an attestation to the resident information.

### PREVENTIVE BENEFITS PLUS RIDER

The Preventive Benefits Plus Rider provides benefits for preventive health services not covered by Medicare. This Rider also provides access to discounted goods and/or services.

## **Notice of Compliance with the Illinois Religious Freedom Protection and Civil Union Act**

The Illinois Department of Insurance has asked insurance companies to inform Illinois customers about the Religious Freedom Protection and Civil Union Act. This law, which became effective June 1, 2011, creates a legal relationship between two persons of the same or opposite sex who form a civil union. The law provides that parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. On any insurance policies that provide coverage for children, the children of civil unions will be provided coverage. The law also recognizes civil unions and same sex marriages that are legally entered into in other states.

We will comply with this law by administering both existing and newly issued policies so that parties to a civil union and a marriage are provided identical benefits, protections, and financial security. Although your policy will not be updated to include this language, a party to a civil union will be administratively included in any definition or use of the terms “spouse”, “family”, “immediate family”, “dependent”, “next of kin”, and other terms descriptive of spousal relationships. This includes the term “marriage”, or “married”, or variations thereof.

The Civil Union Law ensures civil union spouses are treated the same as married spouses for purposes of life insurance coverage and benefits. A party to a civil union will be considered to be eligible to purchase a life insurance policy to cover a civil union spouse.

As a result of the Civil Union Law, civil union spouses are entitled to the same estate and inheritance rights under Illinois law as married spouses.

Additional information regarding the law is available on the Illinois Department of Insurance website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov). If you have any questions about insurance coverage and benefits, please call us at 1-800-228-9100.
